

Accessibility Plan

September 2018- September 2019

Introduction

This plan is drawn up in accordance with the Equality Act 2010.

At Montagu Academy, we ensure that all children can belong, participate and achieve fully in school life. We believe that diversity is a strength, which should be respected and celebrated by all who learn, teach and visit here. We aim to provide specialised support to address barriers to learning and raise self-esteem and confidence. We liaise closely with parents, carers and professional organisations to ensure that all the child's needs are addressed. We monitor the progress and attainment of all children with a disability and use this to develop inclusive teaching and raise achievement. We believe in the importance of developing a rich and diverse wider curriculum which allows all children to succeed. We make reasonable adjustments to ensure an accessible environment and curriculum.

Definition of Disability

Disability is defined by the Equality Act 2010

A person has a disability if—

- (a) The person has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on that person's ability to carry out normal day-to-day activities.

Key Objective

To reduce and eliminate barriers to accessing the curriculum and facilitate full participation in the school community for pupils, and prospective pupils, with a disability.

Principles

Montagu Academy recognises its duty

- To make reasonable adjustments to avoid disadvantage in provision, physical accessibility and practice.
- To make reasonable adjustments to provide auxiliary aids for children with a disability.
- Not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services.
- To publish an Access Plan.

In performing their duties, governors and staff will have regard to the Equality Act 2010

Montagu Academy recognises and values parent's and carer's knowledge of their child's disability and its effect on his/her ability to carry out normal activities. We work in partnership with parents to ensure high quality provision.

Montagu Academy provides all pupils with a broad and balanced curriculum, differentiated and adjusted to meet the needs of individual pupils and their preferred learning styles; and provides support to address specific barriers to learning

Provision

Education & related activities

At Montagu Academy we aim to provide an inclusive, rich and diverse curriculum designed to meet the needs of all children. We ensure staff have training in early identification, inclusive learning and teaching and developing expertise in addressing specific barriers to learning is an integral part of the school improvement plan. We aim to maintain and develop our strong partnerships with other professional agencies and provide cohesive and co-ordinated support for all children and their families. All children have access to all areas of the curriculum, with support given and additional resources used as required. We aim to develop a programme of continuing staff development in order to develop expertise in planning for learning to address specific barriers to learning and allowing all children to access an inclusive curriculum. Training will be planned and organised by the SEND Leader and SLT. We will continue to develop systems to monitor and accelerate progress and attainment through developing expertise that will create appropriate targets and differentiation.

Physical Environment

Montagu Academy will take account of the needs of children and visitors with physical difficulties and sensory impairments when planning and undertaking future improvements and refurbishments of the site and premises, such as improved access, and provision for sensory needs. Advice on specific requirements will be sought from The Visual Impairment Team, The ASD Team, Occupational Therapy, Physiotherapy and other health agencies based on the needs of individuals.

Provision of information

Registered Office / Head Office

Education House, Spawd Bone Lane, Knottingley, WF11 0EP

Company Number: 07386086 (England and Wales) Charity Exempt under the Academies Act 2010 VAT Number 115 811 243

At Montagu Academy, we will make use of local services, including those provided through the LA and Delta Academies Trust, for providing information in alternative formats when required or requested. We will respond to current needs and update as required. Large print information for children with VI will be provided. We will continue to provide personal interaction for parents/carers with literacy difficulties and who have English as an additional language.

Financial planning and control

The Headteacher with Senior Leadership Team, together with the Finance Committee will review the financial implications of the School Access Plan as part of the normal budget review process. The School Access Plan will be used to inform the School Improvement Plan.

Linked Policies

This Plan will contribute to the review and revision of related school policies, e.g.

- School Improvement Plan
- Building and site development plan
- SEND policy
- Single Equality policy
- Curriculum policies
- Governor training plan
- Learning and Teaching policy
- Behaviour Policy
- School Emergency Policy
